**Annual Membership Summer Potluck Picnic Meeting.**  
**July 10, 2013**

The morning light dawned bright and cool after several days of hot humid weather, with temperatures that reached in the 90's. This morning the temperature was in the 60's reaching a high of 82 degrees F. by the time we all gathered together for an evening of spirited conversation and sharing of food.

Jay and Melissa's table was a delight to behold, adorned with an array of various salads, hot pulled chicken sandwiches and desserts to please all.
